

Follow up with your supervisor...

- Show your coworkers that The Informed SLP provides therapy tools as well as continuing education! Use our "**clinical resources**" and "**open-access materials**" filters to find assessment and treatment materials created by TISLP and scientists. Print them out to start using with your clients today!
- Get free one-month access for your supervisor and lead SLPs. Ask your supervisor to email groups@theinformedslp.com and ask for a free one-month trial pass. We'll happily help them try TISLP out before purchasing.
- Get your team on board. Tell your coworkers that The Informed SLP offers 2 free hours of continuing education on any of our free content. All they need to do is create a free account at www.theinformedslp.com/freeceus.
